

### About Mondial Foods

Mondial Foods is one of the leading Dutch export companies with worldwide coverage in Meat, Poultry, Potatoes, Vegetables, Seafood and Dairy products. With over 20 years of experience, we have come to value customer relationships, loyalty, credibility and business ethics.

Our company was founded in 2002 and was originally active in the Meat industry under the name 'Mondial Meat Trading'. Due to the rapid increase in demand for various food products, the company expanded its field of business in 2006 and became Mondial Foods. Today, we are proud to be feeding people all around the globe.

Our procurement departments in Europe and South America deliver extensive logistic services whilst assuring that our products are at the highest quality level. By doing so, we have managed to establish strong sales divisions in the Philippines, China, the Caribbean, United Arab Emirates and Saudi Arabia.
